Dear Gardner:

First let me thank you as host for a very successful meeting last Friday. It was interesting and it was profitable. It does me good to get with the Chapter members^{and} centre down (as Quakers say) on our "Common Cause." The South Carolina crowd added a lot. I'm glad they are linking up with us. The indifference of the Duke aggregation is a matter of real concern to me. I cannot dope it out.

Second -- Aycock has just been in to ask me to ask you if we could borrow the North Carolina briefs and records on the Rocky Mount Warehouse Case. His class is coming to that subject in a few days. He is very eager to have it available for his own use. Could you arrange to let us have the briefs and records? If there is any rule against it, we will withdraw our request but it would enrich the class work a lot. It is our good luck to have a "friend at court."

Thanks for the above mentioned and past favors.

Sincerely yours,

Lucile Elliott
